For 2022 I issued tax receipts for 51 parishioners, another 18 for visitors/adherents, memorial donations and refugee support.

There are a number of ways to donate: 1. Open Offerings 2. Regular Weekly Church envelopes 3. Automatic Debits (Electronic Plate) 4. Tithe.ly (Link on the church web page). 5. Irregular Offerings with envelope number and 6. Direct deposit via e-transfer (New 2022)

As of 2023 the Diocese of BC is ceasing their Automatic Debit service. This will be replaced with a system in conjunction with the United Church of Canada which is currently being set up and has Automatic Debits and additionally a function to use Credit Cards. Members currently using Automatic Debits have been notified of this change along with their tax receipts by email.

The year has had many changes and challenges, with some members unfortunately deceased, some left and some new members. Some uncomfortable attending with Covid restrictions. Donations have been deposited on a monthly basis during the past year as obviously not many envelopes and virtually no cash (open donations) were received. This year our normal weekly counting procedures will once again be resumed.

I wish to take this opportunity to thank Kathy Lambrechts as a member of the counting team who has diligently done all the counting since 2019 during Covid and thus verifying my figures for the deposit.

Respectfully submitted,
Marthin Lambrechts
